Evaluation of independence:

All suggested Board members qualify as independent of the company as stipulated in recommendation 10 in the Finnish Corporate Governance code. Fred Ramberg, Juilia Kronlund, Per Benjaminsen and Magne Ruus Simensen qualify as independent of major shareholders under the same recommendation. Martin Bjørklund is a director and part owner of Betulum AS, who hold 23,3% of the shares in Eevia Health Oy, and is therefore not regarded as independent of a major shareholder.

Fred Ramberg and Juilia Kronlund do not hold shares, directly or indirectly, in the company at the time of the AGM, but some of the largest shareholders (excluding Stein ulve) will provide them with the possibility to purchase shares. An incentive program for the board and management is also being prepared by some of the largest shareholder to be presented for a future general meeting.
